Individual Weekly Report

Name: Diego Lanz
Team: good AIM
Date: 2/17/2025

Current Status

1. What did you **personally** work on this past week?

Task	Status	Time Spent
Began working on user forms module	IN PROGRESS	
Began working on staff forms module	IN PROGRESS	
Worked on distributing story points	IN PROGRESS	

Include **screenshots/graphics** to illustrate what you did this past week:

2. What problems did you run into? What is your plan for them?
I ran into problems trying to figure out what to work on, because the parts I need to implement are not in the place where they can be made yet.

3. What is the current overall project status from your perspective?
We have completed a database with dummy data and we have completed a login/skeleton page

4. How is your team functioning from your perspective?
We are functioning well, we work good together and we all get along pretty well with one another

5. What new ideas did you have or skills did you develop this week?
I learned more about using Jira and how to create the stories and burndown charts

6. Who was your most awesome team member this week and why?
Our most awesome team member was Simone because she has remained in touch with our sponsor Justin about notes and improvements

Plans for Next Week

What are you going to work on this next week?
I am going to continue work on the user and staff forms module and help on any other areas that my team members may need help
